“Let It Grow, Let It Grow!”

Sung to the tune of “Let it go, let it go!” from the Disney movie “Frozen”. For those of you not familiar with the song...you can sing using the tune from that holiday classic, “Let it snow, let it snow, let it snow”.

If you don’t know either of these songs you are free to make up your own tune...

Deukmejian Wilderness Park - January 2010

Whether you want to sing or not, we need your help to make things grow at the park this month. Our work will include watering of our recently planted Oaks and Big cones, removal of the invasive plants and more. Everyone can help and “Let It Grow, Let It Grow!”
